**ANNEXURE - "A" : TO THE AUDITORS REPORT.**

Annexure referred to in paragraph (1) of our report of even date on the Accounts of M/S HARI GOVIND INTERNATIONAL LTD., for the year ended 31<sup>st</sup> March, 2009 :

It is informed by the management and directors of the company that the company is under closure since 1999-2000. Most of the records in the form of original register, documents etc. are soiled and destroyed by termites that were kept in factory premises.

Regarding the inventory position, there are no records available for the period from 01-04-1999 to 31-03-2000 and onwards.

Whatever data and records that the management have collected from the available spoiled papers etc. is made available to us for audit and examination for the said financial year.

From the above available records the comments on the accounts as annexure to auditor report is as follows.

1. The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets. As the company ceases to operate the company had not verified all the fixed assets physically. However to the best of our information and explanations given to us no serious discrepancies been noticed in the records.
2. None of the Fixed Assets have been revalued by the company during the year.
3. Physical verification was not conducted by the management at reasonable intervals during the year in respect of finished goods, raw material, stores & spare part as the operation of the company had stoped in the year 1999-2000.

4. The procedure of physical verification (was not carried out as the company ceases to operate) of stocks followed by the management are reasonable and adequate in relation to the size of the company and nature of its business.
5. As explained to us no significant discrepancies were noticed on such verification as compared with the book records and the same have been properly dealt with in the books of accounts.
6. The valuation of these stock is fair and proper and in accordance with the normally accepted accounting principles. The basis of valuation of stock is same as in the preceeding year.
7. During the year the company has taken unsecured loan of Rs. 10599043/- from Mr. Jugalkishore H. Maniyar director of the company for payment of Administrations & Sales Tax Liability under the amnesty scheme launched by the State Government and payment of unsecured loan of Mrs. Sunita Jugalkishore Maniyar. The amount of interest is not provided.
8. The company has not granted loans secured or unsecured to companies, firms or other parties listed in the register maintained under section 301 of the Companies Act, 1956 and/or to the companies under the same management as detailed under section 370 (1 - B) of the Companies Act, 1956.
9. The principal amount and interest there on accumulated is not recoverable from the said parties. Hence for the current year interest is not charged on the outstanding loan and advance account.
10. As the company ceases to operate since 1999-2000 there were no transaction of purchases of stores, raw material including components plant and machinery and other assets and for the sell of goods. The question of internal control procedures does not arise.
11. In our opinion the transactions of purchase of goods and raw material and sale of goods, materials and services, made in pursuance of contract or arrangements entered in the Registers maintained under section 301 of the Companies Act, 1956 and aggregating during the year to Rs. 50,000/- (Rs. Fifty Thousand Only), or more in respect of each party was not related to the financial year 2006-2007 as the company ceases to operate.

12. As explained to us the company has a regular procedure for determination of unserviceable or damaged stores, raw materials or finished goods, the loss arising on items so determined is appropriately dealt with in the books of accounts. However this point is not applicable to the current financial year as the operation of the company was shut down in the financial year 1999-2000.
13. The company has not accepted any deposits from the public.
14. The company has no by-products and in our opinion reasonable records have been maintained by the company for sale and disposal of realizable scraps, wherever significant.
